Solör Bioenergi Holding AB – Change in Group Management

Florian Raitner has been appointed new CFO for the Solör Bioenergy Group as per July 8th 2016. Mr. Raitner has had a position as Vice President of Finance where he has been responsible for M&A and Corporate Finance the last five years. "We wish Florian all the best in his new role and look forward to his increased participation in Group management" says Chairman and CEO Martinus Brandal.

Dag Leren leaves his role as CFO to become Head of Treasury reporting to the CFO. "Dag has contributed in the positive transition and growth of our Group and we wish him all the best in his new role as Head of Treasury" says Brandal.

The Solør Bioenergy Group comprises bioenergy companies, which are providing essential energy services in Sweden, Norway and Poland. The Group produces wood-based bioenergy for the public and private sector including private households, municipalities, industrial customers and local/regional governments. As a leading bioenergy company, the Group is operating in the entire value chain from procurement, production and distribution to sale of energy in form of district heating, industrial steam, electricity and various biomass products.
