

PRESS RELEASE – 28 September 2016

Solør Bioenergy Group – Update on refinancing

Solør Bioenergy Group hereby informs that it within its ordinary business has initiated the evaluation of different refinancing opportunities. Solør Bioenergy Group will provide more information on its refinancing within due course.

Solør Bioenergy Group comprises bioenergy companies which are providing essential energy services in Sweden, Norway and Poland. The Group produces wood-based bioenergy for the public and private sector including private households, municipalities, industrial customers and local/regional governments. As a leading bioenergy company, the Group is operating in the entire value chain from procurement, production and distribution to sale of energy in form of district heating, industrial steam, electricity and various biomass products.
